Uniform Policy: Pre-K - 5

Dressing for success at school is an important core value. It influences how students think about school and their role as scholars. When students grow up, they will also have to dress for work and different roles in society. It also makes your job as a parent easier in the morning—you don't have to think about what they will wear!

While we have some spirit days throughout the year where students are invited to wear different clothing to represent a particular cause, celebrate their identity, or just have a little fun with a school theme, it is important to highlight that **we are a uniform school for all students in all grades**. All students are expected to attend school in full uniform **every day**, including the first day of school.

Our **everyday** uniform is a **white collared shirt and khaki pants/skirt/jumper**. Parents also have the option of **black** collared shirts as an additional alternative, particularly if parents are worried about students' shirts becoming stained easily. Students may also wear “school spirit” attire such as the shirts and hoodies for sale.

"The more we know,
the more we grow.
Together."

Our **gym** uniform is a white/black/yellow shirt and black sweatpants. Students should be sent to school with sneakers on gym days.

Please refrain from sending your child to school with the following articles of clothing:

- Shorts, skirts or dresses that are too short--above knee length.
- Slippers, flip-flops, or crocs: Can be extremely dangerous for children to run in at school. Please understand that your child's safety is of upmost important to us—sandals also pose a high risk of tripping and falling at school.
- Clothing that shows any parts of your child's body: midriff, belly button, pants worn below the waist, etc. Tank tops are fine underneath the uniform shirt, but not alone.

If you or someone you know may need help with getting uniforms for their child, please reach out to our Guidance Counselor, Gigi Rodriguez or Ms. Leanne DesVignes, our Social Worker. They can be reached via Class Dojo or by calling the school. Thank you for your cooperation in this matter.

Uniforms may be purchased at the following locations (and any store that sells white shirts and khaki bottoms):
